

### ReadySuite CAD \$300/month

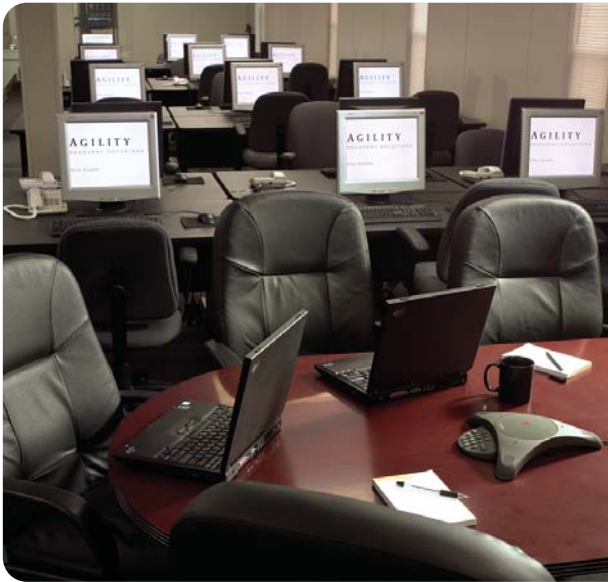

The Agility business continuity solution is simple, but profound. Within 48 hours of a business interruption, Agility will deliver whatever your business needs to get back up and running and connected to your customers.

- Mobile Office - up to 48 seats
- Computer technology - up to 3 Intel servers
- Satellite capabilities provide phone and internet access
- Power generator
- Unlimited access to emergency hotline
- Roadmap to Recovery Plan
- Access to Consulting services
- Testing options available

Agility will work with you to assess your risk exposure and develop an optimal plan. If you declare a disaster, we will set that plan in motion and you will be billed for our net out-of-pocket recovery costs. Proper insurance could cover these expenses.
